

New Hampshire Department of Health and Human Services Tuberculosis Care Services

ADDENDUM #3

On April 1, 2016, the New Hampshire Department of Health and Human Services published a request for applications, requesting applications from vendors to provide Tuberculosis (TB) home health care and/or outpatient medical care services to clients enrolled in the NH Tuberculosis Financial Assistance (TBFA) program.

Pursuant to Section 2.7, Non-Commitment, Subsection 2.7.1 of RFA-2017-BIDC-03-TUBER, the Department hereby cancels this RFA. Should the Department issue an RFA for the same services as described in RFA-2017-BIDC-03-TUBER, potential bidders shall be notified via the same process as the previous RFA.
